Specialty Printing

Finishing Equipment

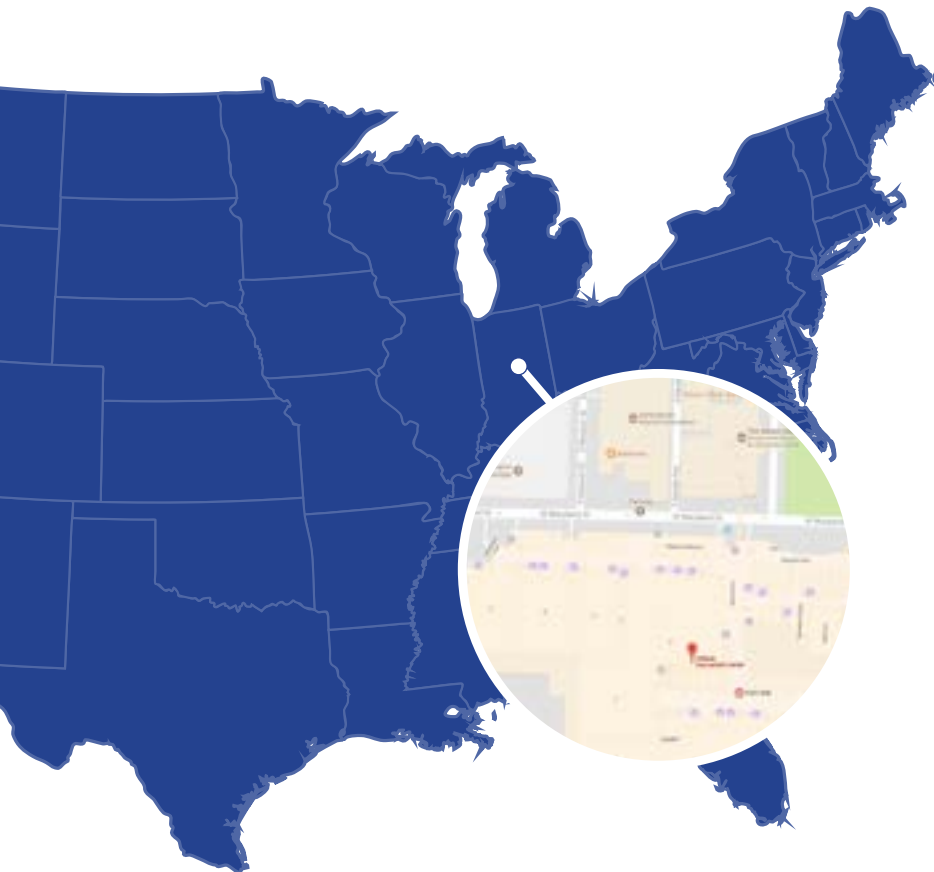

Narrow Web/ Tag & Label

Flexible Packaging

Over 2,000 decision makers and top industry influencers from the United States and more than 30 countries from around the world will be making the DRIVE, the FLIGHT, the EFFORT to get to INFOFLEX.

Indianapolis, IN

Intertwining all segments of the package printing/converting industry under one roof, every year INFOFLEX provides an unparalleled opportunity for exhibitors to showcase their products and services to thousands of key business professionals - all while experiencing the unique opportunity for education at Forum, held at the Indianapolis Marriott Downtown, directly across the street from the convention center.

“INFOFLEX is one of the premier industry events that I look forward to every year. It’s a great place to see all of my industry customer & supplier friends, and I invariably meet new prospects and make new co-supplier relationships.”

—Ed Dedman, Zeller+Gmelin Inks

96%

of exhibitors felt their booth presence was beneficial to their organization

81%

of attendees found at least one new solution/product/service they will utilize in the near future

97%

of attendees and exhibitors found they were able to effectively conduct business at the exhibit

TOP 4 REASONS TO EXHIBIT

#1 Align your organization with an established, successful event

35 years running, INFOFLEX has the experience, community and reach to deliver maximum ROI. The combination of a central location, 240 exhibiting companies and continuously evolving technologies and services, guarantees you will encounter a combination of returning/existing customers and hundreds of new ones.

#2 Expand your reach and increase your sales at INFO*FLEX

Engage with thousands of end users and buyers who are interested in implementing new technologies and solutions. Receive unrivaled branding and visibility for months before the start of the show, during the show, and post show

I always rely on the vendor exhibits to be able to quickly compare and contrast product offerings, uses and availability. It is the best venue to get detail, personalized attention and solutions to production issues.”

—Alan Pulsinelli,
Dart Container Corp.

Forum & INFOFLEX is always a highlight of the year for Hybrid Software. In an era where most trade shows are on the decline, INFOFLEX just keeps getting better!”

—Mike Rottenborn,
Hybrid Software Inc.

#3 Benefit from unparalleled coverage through the largest package printing/converting community in the world

- Over 15,000 connections through Social media

- Global Reach through FLEXO Magazine – Print & Online
- Avg. Monthly Distribution: 14, 264 readers, 5,000 online
- 19,000 unique visitors via www.flexography.org
- More than 2,000 exhibit hall attendees walk the INFOFLEX show floor

#4 The unique fusion of Forum and INFOFLEX

Combining the best educational and networking events in one central location provides a unique opportunity to share knowledge, uncover new business and forge long lasting relationships with key decision makers in the industry.

WHY DO THE EVENTS WORK SO WELL TOGETHER?

Our attendees invest the time.

FORUM

- Four days of education
- Over 19 hours of learning
- Nine informative sessions, averaging a total of 40 presentations

INFOFLEX 2018

- Two-day exhibit
- Over 240 exhibitors
- 2,000 attendees
- Nine hours of networking
- 15 presentations at Solutions Theater

STAND OUT FROM THE COMPETITION!

Sponsorships are a great way to position your business at INFOFLEX. It brings increased brand awareness to your target market, while showing support of FTA and its thousands of members.

There are a variety of sponsorship items and packages available to accommodate all budget sizes. Exposure to tens of thousands of industry professionals. From online and print ads, to attending Forum, INFOFLEX, Awards Banquet and Emerging Leaders Golf outing, and the post show advertising, there is exponential potential.

To explore the wide range of sponsorships, contact Jay Kaible, 631-737-6020 ext. 120.

COLLOCATED WITH
FORUM 2018

FORUM

May 6-9 | Indianapolis
Marriott Downtown |
Indianapolis, IN

Forum provides a distinctive platform for the flexographic community to educate, discuss, and discover the latest topics and trends moving the industry forward. Session involving presentations, research projects, case studies and panel discussions provide attendees a glance into the future for advancing products and evolving technologies.

**Brought to you by
Flexographic Technical
Association (FTA)**

FTA is the premier destination for flexography training, articles, events and other resources. Since 1958, FTA is a community of flexographic printers, press manufacturers and consumables suppliers, premedia service providers, worldwide distributors and consumer products companies. It is a network of more than 1,300 companies and more than 35,000 individuals; a network constantly growing - 15 percent larger now than it was three years ago.
